Report Accessibility Problems

Our website shall include notice for any accessibility problems with online technologies to be reported to Accessibility Coordinator, and his contact information shall be clearly stated; the process for filing a formal complaint through Section 504 and Title II grievance procedure shall be included.

All problems identified shall be documented, evaluated, monitored, and, if necessary, remediated within a reasonable period of time.

Annual Audit

An accessibility audit shall be completed annually under the direction of the Accessibility Coordinator, during which information provided by VCS Ohio through its online technologies shall be measured against Section 508, 29 U.S.C. 794d. All problems identified through the audit shall be documented, evaluated, monitored, and, if necessary, remediated within a reasonable period of time.

Verification of Technology from Third Parties

VCS Ohio shall verify online technology provided or developed by third parties meets the standards of Section 508 of the Rehabilitation Act of 1973, as amended and codified at 29 U.S.C. 794d,.

Annual Training for Staff Responsible for Online Technologies

VCS Ohio shall require annual training for staff responsible for creating or distributing information with online technologies to students, including, but not limited to, training on VCS Ohio's accessibility policies and procedures, and their roles and responsibilities to ensure web design documents, and multimedia content be accessible. The training shall be facilitated by the Accessibility Coordinator.
